

Businessman's Front Loader

Stong Enough For
The East
Light Enough For
The West

Designed for haulers who are not afraid to do things a little differently if the change brings them a higher profit. Built with an old-school mindset, our trucks are quick, simple and strong. Constructed with Hardox Steel, our front loaders are built to outlast your chassis with little maintenance. We've built our trucks to stay on the route, not in your shop.
